Once there lived a boy. His name was Jack and he was eighteen years old. Jack was an athlete and he devoted all his time to ~~his~~ his hobby. ~~But~~ The boy was very energetic, but once he broke his leg, and the doctor said Jack was to give up sports.

Sitting at home the boy got very lazy and passive, as he was extremely upset and frustrated: he was fond of sport and could not even imagine his life without it. Jack just did not know what to do.

He stopped communicating with ~~his~~ his friends, as all of them were professional sportsmen and Jack could not stop thinking of his broken leg being with them. Moreover he practically never went outside and was always ~~sto~~ alone.

All Jack's friends missed him, as the boy was friendly, kind and joyful. Once they decided to make him stop being sad all the time and start doing at least some sport exercises to recover faster.

They came into his house, while Jack was sleeping and scared him to death, so that the boy ran away screaming loudly. But when he was running he realized he didn't feel any pain at all, so he continued doing it. Then the boy suddenly saw a fence, which he could ~~over~~ to overcome only jumping it over.

Jack hesitated for a moment, but a little later he was already behind the fence.

He didn't know, where he was running to, but Jack knew for sure, it was the best moment of his life.
