## An unexpected encounter

It was a lovely sunny day. Summer was in the air and school was almost over. How could I possibly spend my day in a stuffy classroom? I decided to skip school and take a relaxing walk in the field.

There was a nice breeze, the grass was still wet from the morning dew. All in all it was amazing. I found a nice spot, sat down and started to admire the surrounding nature. There was not a soul in the field. Only I and a green sea of flowers and grass.

I closed my eyes and listened to the soothing sounds of the world around me. No noisy school bells, yelling of kids, and, most importantly, I didn't hear the annoying voice of my Math teacher.

Suddenly, I heard something else. I heard foot steps. I guess someone decided to skip school too. Oh well, I could use company. - I thought. I opened my eyes and looked around. My eyes got big. It wasn't a lazy student I was looking at. It was a huge cow, that wasn't too happy to see me in its field.

I started to run and the cow ran after me. I saw a fence on my way and though

I bet I can jump over it! And the cow  
will be left behind. I jumped and ran  
home as fast as I could. The moral of  
this story is: If you decide to skip school,  
stay home. Never go into a field. And also  
never skip gym class. All that jumping may save  
your life one day.
