my love story.

It was a warm summer day. The sun was shining and the birds were singing. My friends, whom I hadn't seen for a long time, and I decided to have a picnic in the nearby forest. We took some food and were eager to spend the whole day playing, chatting, and simply enjoying ourselves.

While we were talking, we lost our way. It turned out that we had headed for the mysterious area instead of making our way to the peaceful lawn. The wind started blowing, the sun disappeared, and a rather strange noise was following us. I was terrified. It seemed to me that we were going to die.

Suddenly huge barking dogs appeared from nowhere. I thought we didn't have any chance to survive. My friends started running, but I couldn't move any part of my body. I was scared-stiff. 'Oh, my God, I'll die,' was my thought, as I saw my friends jumping over the old wooden fence quite far from me.

As I was recalling some memories from my previous life, I felt someone touching me. I believed that it was Death. However, it turned out that it was my neighbour John. He said that ~~it was~~ his dogs <sup>had</sup> attacked us in order to play. As he was talking to me, I saw a nice red dog with long and soft fur. I immediately fell in love with both John and his marvellous pet.

Now it is a year since we got married. (Oh, I <sup>have</sup> forgotten to mention that I haven't seen my friends since that terrifying day. Maybe they are ashamed of leaving me alone there. I hope they're great.) As for me, I'm really happy and proud of my family.
