The best way to learn English so far!  
General impression

Dear Mrs Galway, I have just returned home from the three-week summer course and I am extremely happy I once came across your website and found out about your "English for everyone" programme. Not only did this course help me to brush up my English, it also gave me a chance to gain self-confidence as well as to acquire advanced communication skills.

Brushing up your English.

I have never met such brilliant English teachers before. At first I could hardly understand a single word of their fluent speech. It goes without saying, I couldn't even dream of having a long conversation in English with them, but then, as they helped me to master my speaking I became able ~~to~~ ~~to have~~ ~~to~~ to talk almost about everything with them, which <sup>now</sup> seemed impossible to me a month <sup>before</sup> ~~ago~~ as I ~~was~~ had been too afraid to speak a foreign language. At the course I was taught to break the ice at conversations and ~~also~~ to overcome my fear. Grammar classes were also very useful. I couldn't believe English was so complex and interesting! ~~There~~ Various technological equipment also promoted our studies a lot. ~~More~~ More than ~~that~~, we were given numerous textbooks, which helped ~~me~~ <sup>me</sup> to improve reading skills and to enlarge my vocabulary.

Minor disadvantages.

The only aspects of the course I didn't like

were inconvenient timetable and not very good  
quality of food. It was very hard to study without  
breaks for the most part of the day and the only  
lunch break was too short.

Thank you very much for the course!

Yours,

Nikita
