Dear Mrs Galway,

Thank you for your letter. It was great to hear from you. I'm going to write a short report about English language courses.

Firstly, in my opinion the quality of teaching was quite good. I have improved my skills because of your teachers that do their work properly and their interesting methods. I was surprised that we can use earphones, computers and smart board on the lessons. It is the right way to make the teaching modern and useful. But of course we used traditional methods like books too. There were a lot of various textbooks, student could choose the best one for them.

Many dining facilities were available. Otherwise, it was great that we could choose the most comfortable time of class for us. It helped me not to get tired after my work because I could study on Saturdays.

Everything was okay, but you can do your courses better. Use different methods and invite native speakers for students who want to practice. It will be useful for them and will help to develop their skills.

As for me, I think that the courses helped me to become successful because foreign languages are very important in the modern world. I'm very thankful for this necessary knowledge. That's all that I wanted to say about your courses. I will recommend it to my friends.

Best wishes,

Natalie.
