English Language Course Feedback

• Commentary

Latest English language course was enormous beneficial. Students were taught by professional educators who had many years of teaching experience. Teachers found a personal approach to every attendee and helped to become effective learners. Educators did not only perform high-quality guidance, but implemented means of modern technology. Advanced touch pads and interactive boards exploitation was one of major conveniences. Most importantly, learners could considerably improve their language skills with the help of variable textbooks. Printed material was comprehensible and adoptable for self-studying. Most publishings were orientated at ^{expanding} enlarging students' range of vocabulary as a large number of examinations award more marks to those who can handle collocations appropriately.

• Schedule

Introduced timetable offered flexibility that was appreciated by the majority of attendees.

• Dining facilities

Canteen can't be complained about as the food was always freshly-cooked.

Dishes combined a very sufficient amount of protein and carbohydrates and other essential nutrients. Additionally, vegetarians could sample local dishes and yet adhere to the chosen lifestyle.

• Suggestions

Most students agreed on the insufficient time for speaking activities. Learners had ~~with~~ a desire for a more intensive verbal practice as ~~this~~^{speaking} was something everybody wanted to improve. Also, attendees would largely appreciate an opportunity to track their results and achievements - exams at the end and ~~at~~^{at the} beginning of the course.

I hope ~~that~~^{that} mentioned facts and ideas would be of a great help.

Best regards,

Margarita
