Dear Mrs Galway,

The first thing which I wanted to say is that it was a great experience for me to attend your English language course. I want to thank you for the organization of the lessons.

Teaching

Our teachers were friendly and fair. Their lessons were very attractive and interesting, because they could find a special teaching method for every student and I was not an exception. It was unusual for me, due to the ~~fact that~~ traditional school methods

Technological equipment

The fact that you are using some digital devices for studying is certainly an advantage but it is quite predictable, because ^{nowadays} even schools use the Ipad's during the lessons.

Variability of textbooks

The only thing which I found dissappointing was a number of textbooks which we had to carry with us everytime. Definetely it is very reasonable that we can ~~sto~~ take ~~it~~ some information from different books but they are extremely heavy. Why do not you download them on Ipad's, so students will not have to bring them to the classroom.

Dining facilities and the timetable

Our cafe'teria was excellent. Waiters have always been polite, tables clean and the food was delicious. Unfortunately, we have not had enough time to have lunch during our big breaks, so can you make it a little bit longer? It will be much more convenient for students. This was the only disadvantage of our schedule, because it is perfect and convenient.

In conclusion, my studying was very pleasant, I ^{have} gained
