Thank you for the courses!

The courses have been very helpful for me as it is such a wonderful opportunity to practise the language and to get useful knowledge. Also, everyone here has been kind and friendly, that is why it is also a chance to meet a lot of new friends.

- The teachers. I have really enjoyed the teachers and their methods of teaching. They have given important information which was quite easy to understand and remember.

- Technological equipment. The teachers have used modern technologies during the lessons. This is beneficial for everyone.

- The programme of studying. Also, the huge amount of textbooks ~~was~~ ^{have been} used. It has helped to understand grammar rules better. All the lessons have been very interesting. I believe that everyone who has visited the courses would agree with me.

- Dining facilities. Although the dining room hasn't looked very new, the food was good. In my opinion, everyone has found their favourite meals here.

- Timetable. We have got up quite early and did not have a lot of spare time but I like the idea of spending time wisely. In this course every minute is useful.

All in all, I personally believe that it has been

Very pleasant and useful time for me. I would like
to say thank you to every person who has been
involved. Hopefully, you will continue this way.
I will definitely recommend the courses to all
my friends!
