Dear Principal,

You've asked me to write a report about your courses. So here it is.

The best courses I have ever joined.

I have been joining your courses for 3 weeks. Here is my opinion about them.

Teachers and their approach: To begin with, I would like to express my respect to the teachers and the way they worked with us. Everybody was eager to help and I'm sure that my English improved a lot.

Modern technologies in teaching: Technological progress hasn't gone unnoticed by your school. Each classroom is equipped with a computer and E-board. So, students were entertained by these new means of learning.

The variability of textbooks: It is impossible not to mention the amount of ~~provided~~ textbooks and dictionaries which were provided. The amount of them is the same as in our city ~~library~~ library.

Having a lunch: The only disadvantage I can outline is the canteen. The food was not of the best quality and working hours were <sup>strictly</sup> limited.

Schedule: The last but not the least is the convenience of the timetable. I have never joined a course where each student was asked when it is better for him to come. So, the schedule was suitable for everyone.

My suggestions: It is hard to advise something to such a developed organization, but I think it would be great if you will arrange some events, which are typical for British culture. Thus, your students ~~can not~~ cannot only get profound knowledge of grammar, but also get ~~acquainted~~ <sup>acquainted</sup> with the culture of ~~this~~ region.

Hope that ~~this~~ report will be useful for you.

Yours faithfully,

Olga
