### Language course – fantastic course

So, this fantastic language course is over. It is sad that it was so short. I would really like to spend some more time with such professional and friendly teachers.

Teachers and the quality of teaching.

Teaching was perfect! Teachers amuses us with stories from their life in English, teaches us all they knew themselves and were as friendly as possible. I definitely learned a lot from their lessons.

### Usage of modern technological equipment

This aspect really disappointed me. In my personal opinion, your course lacks modern equipment such as computers, boards with sensors and big screens so all pupils can see everything. This is what I recommend you to change.

### Text books and their variability

Your course provided us with a great library with a large amount of books available. Pupils did not have any problems with books.

### Dining facilities

This is the next thing I suggest you to improve. Your canteen is not very clean, and the food there is neither appealing nor nourishing.

### Timetable

Timetable was perfect. Our lessons started at midday, so we all had a plenty of time to sleep and ended at 5 p.m., leaving us the whole evening to play games.
