Learning experience

This report is devoted to the English language course. Below are some aspects that are worth to be covered.

Teaching quality

I would like to underline how high-qualified the teachers are. All of them have graduated from the most perspective universities. The teachers have perfect communicative skills.

Up-to-date technologies

Staff dedicates a lot of time to renovate equipment. They always try to follow the ~~progress~~ ^{progress}. This fact ^{definitely} needs to be mentioned. Although sometimes it is hard to manage such modern technologies, teachers of the course make huge efforts to cope with them.

Books and references

The only thing that leaves much to be desired is ~~the~~ the library. There is very poor choice of studying materials, especially textbooks.

Dining facilities

Various dining facilities are provided. There are several dining rooms and a lot of little shops where it is possible to buy ~~every~~ ^{from} everything ~~at~~ ^{from} ~~the~~ ^{from} ~~shops~~ ^{from} ~~there~~ ^{from} ~~is~~ ^{from} ~~possible~~ ^{possible} to buy ~~delicious~~ ^{delicious} cakes.

Time-management

According to my own experience there is no more time-saving course. Timetable is very convenient. What is more, the organizers provide an opportunity of flexible lessons, that's why it is worth taking this course, especially for busy ~~and hard working~~ people.

~~My suggestions~~

~~I would rather headmaster ^{solved} ~~dealt~~ the problem with ~~the~~ books provided to students.~~

I would definitely recommend everyone to attend this course. Despite this I would rather headmaster solve the problem with books provided ^{for} students.
