Report about English courses.

Mrs Galway, I would ^{like} to thank you for the course. It was a pleasure for me to attend it.

Honestly speaking, the quality of teaching is middle. You should improve it because ~~sometimes~~ some teachers had an accent and it was difficult to understand them.

Talking about modern technology equipment, I can say that there were not any problems with it. All teachers used modern laptops and we had an electronic board which ~~is~~ worked perfectly.

As for variability of textbooks, we had only one book and this is a huge disadvantage. I respect Macmillan and know that her methods are effective but ^{usage of} this only her book was not enough for me. It would be much more productive if we had three more textbooks with various tasks.

From my point of view, there were not any problems with dining facilities, so I have nothing to add here.

Finally, I would like to mention the timetable. The hours of courses were flexible, so it was very convenient. I have attended all lessons.

In conclusion, I would like to say that generally I am satisfied with your courses. However, I would like to add ~~some~~ a suggestion. To tell the truth, it would be much more ~~pr~~ convenient if you rented a building which is not far from an underground. Sometimes it was quite tiring to reach you.

Thank you for your course.

Sincerely yours
Marion Schmidt
