The purpose of this report is to assess good and ^{unple} aspects of an English language course at Wppingham School.

Receiving knowledge

The classes have a well-balanced structure that is perfect for learning. They are both entertaining and helpful. The information given is well-obtained.

Technology

All the teachers use projectors and interactive boards. It is beneficial for eye-disordered people due to the ability to enlarge the text on the board.

Paper material

A great variety of text books provided, which is another advantage. However, it would suggest offer all the materials in pdf-format as well. Having all the students books on a tablet or a laptop would make a school bag less ~~heavy~~ ~~very~~ heavy.

Catering

Lunch is provided for several hours. Moreover, a great choice of fruit and vegetables offered. Finally, the canteen is absolutely cozy. I am completely satisfied.

Schedule

The duration of the lessons is balanced as they are ~~neither~~ ~~exhaustingly~~ long nor short. Nevertheless, I would suggest that the first lesson starts half an hour later. I strongly believe students would be more awake and energized.

Overall, my time at Uppingham School was a pleasant experience. I have learned a lot and met wonderful people. English language course is definitely to be recommended to my friends and acquaintances.
