Peligrim English Language CourseIntroduction

The aim of this report is to describe the overall impression created by the course, outline some advantages and disadvantages of the programme as well as to give recommendations for future improvements.

Benefits and Overall Impression

For me, the benefits of the course far outweigh the disadvantages. It was enabled to increase cross-cultural awareness and polish my language skills. Besides, I got acquainted with genial and at the same time charismatic and talented students who allowed me to view the world from a different angle. Furthermore, I was impressed by the aspiration and qualification of teachers. I had never met such dedicated and conscientious mentors ~~to~~ and supervisors. They were always ready to assist, thus the quality of teaching was marvellous. We also used our tablets for exercises and Internet connection in order to watch TED talks or practise speaking ^{with the help of} ~~using~~ Vokaroo. I am convinced that it was helpful as well as studying various grammar and vocabulary coursebooks.

Drawbacks to the course

However, one of the disadvantages was poor variety of food and frequency of serving hot dishes.

~~Because of that~~ ~~the~~ Sometimes we were late for classes because dinner ~~was~~ ^{had been} delayed.

Recommendations for improvements

I would suggest you provide interest-free loans to encourage a larger number of students to take part in the course. You should also work on the schedule ~~so that the programme would be more effective.~~ ~~the programme to be more effective.~~ so that the programme would be more effective.
