Subject: My views of the course

Introduction

As you asked me, I remembered all the time I spent studying your course and wrote a report giving my views of it.

Teaching

I had a good and professional teacher, Mr Jones. He was very friendly and always answered all our questions. However, he could be strict and never let us our own languages. Now I feel I know English much better. I have improved my speaking. But there were not many writing tasks.

Equipment and books

When I first got to the classroom I was surprised because there was a ~~new~~ computer on each desk. We did a lot of exercises on computers. I think it is good to use modern technologies in studying but for some students it was difficult. But there wasn't a large variety of textbooks.

Dining facilities

I enjoyed all the food that was given us for lunch and diner. But I noticed that there was not a big choice of snacks and drinks in the school canteen. ~~The~~ lunch and diner were not always enough.

The convenience of time table

~~The time table~~ The timetable was quite convenient for me. I felt a little tired after the lessons but I think this is normal. Sometimes the breaks between the

lessons were very short though. I did not have enough time to have a good rest.

Conclusion and recommendations

In conclusion, I can say that the quality of the course was good enough. There ~~are~~ were some little problems, however. I'd like to recommend to increase the amount of textbook, think more about the choice of the food the café and make the breaks longer. But generally your course is very good and I liked it.
