Course evaluation report

To: Mrs Galway, the Principal

From: Evelyn, Student

Subject: English language course evaluation

Date: 20th March 2016.

Introduction

The aim of this report is to evaluate the English language course I took last month at the Manchester Language School. As requested, the report outlines the main features of the course and my general impressions of the school.

Teaching quality

The teachers were competent and professional. They took into account students' educational needs and abilities and planned their lessons accordingly. I've made great progress mostly due to their wise and friendly guidance.

Equipment

Overall, the classroom was well-equipped. I had an interactive whiteboard and WiFi Internet connection. Moreover, each of the students had their personal laptop computer. As far as I am concerned, it is one of the most best-equipped classrooms I have ever studied in.

Textbooks

We had to buy three textbooks for the course. In my opinion, they the textbooks were really good but overpriced. The good thing was that the teachers used free online information resource too. Furthermore, all students extensively used the course materials available in the library.

Dining facilities

On the whole, the menu was balanced. The food was healthy and ~~nourishing~~ ^{nourishing}. However, I was a bit disappointed as there

were only two vegetarian dishes on the menu. As for the canteen, it was light and spacious.

Timetable

The timetable is designed for early-risers. ~~Personally~~ Personally, I prefer when classes start later! ~~However~~ However, I was happy ~~to~~ to have ~~all~~ the whole afternoon free for homework and other activities.

Conclusion

Overall, I would describe the course as interesting and informative and would highly recommend it to all students who want to improve their language skills.
