Dear Mrs. Galway,

Thank you for writing me. I truly enjoyed your courses and would be delighted to give you my opinion on them.

In the beginning, I would like to commend the quality of teaching on your courses. Teachers were nice and polite and would always help me understand topics I was confounded by before.

I believe I am ought to mention the lack of modern devices and gadgets on your courses. Furthermore, sometimes we had to use our own devices to help the courses to progress.

I must also say that it was very nice surprise to see how many study books you have provided. Moreover, it was all free which was very generous of you to do so.

Now, I don't have a lot to say about your dining facilities as I have rarely

visited them, but ~~the~~ when I did, the quality of food there was mediocre at best.

One of your course's main strengths is how flexible they are. If I was very busy, the course could be moved to other day. I feel like it's great that you were able to do so and I am grateful for that.

~~The conclusion~~ In conclusion, I would like to give you some suggestions to improve your courses. Firstly, you need to buy new technological equipment as it would help you immeasurably. Secondly, you should try to appeal to everyone's taste when it comes to dining. Best wishes.

Yours,

Stephen
