Staying at The language school

I greatly enjoyed ~~the~~ the language course I have attended lately. Every single detail was a delight and I appreciate the hard work you do to entertain and educate teenagers that seek for knowledge. But let me ^{voice} ~~express~~ my opinion more precisely.

• The quality of teaching

Our group-leader Karin was a great specialist. She found a way to teach every single student in our group ~~in a way that~~ ^{in a way that} every day of studying is now deeply rooted in my brain. She deserves a special gratitude for ~~her~~ ^{her} attitude.

• The use of modern technological equipment

Even though I am quite old-fashioned in studying, using computers and other equipment was extremely helpful. The presentations we made were both educating and amusing. It was an unforgettable experience.

• The variability of textbooks

The opportunity to read actual English history and chemistry textbooks was a one of the most unusual parts of ^{the course} my stay. I have even ordered some of the English language textbooks you have kindly provided. The grammar books were a delight to read, too.

• Dining facilities

Even the ~~to~~ meals were organized well. The dining room was clean and the food itself was delicious. I enjoyed it, although it was ~~not~~ ^{not} ~~many~~ ^{many} English cuisine, which is known to be unusual.

• The convenience of the timetable

There were a lot of activities conveniently inserted into the schedule. It was simply well-organized, so I have nothing more to say.

Personally, I ~~can't~~ ^{can't} think of any improvement, but holding such courses more often would be great. I am looking forward to joining them once again. Thank you!

Sincerely yours,
Emil Nadimanski 2016
