Report

To: The Principal of Prinston Language Centre, Mrs Galway

Subject: English language course

From: Martha Smith

I am writing in order to rate the English Language Course and describe its pros and cons.

Quality of Education. The course gives students practical knowledge of English language. The teachers are highly-qualified and supportive.

Equipment. All classrooms have personal ~~tee~~ computers, ~~headphones~~ ear-phones and microphones. But some of the applications used in the process of teaching are old-fashioned. For example, the browser installed to the PC is Internet Explorer. Google, in my opinion, is much more faster and comfortable to use.

Student books. Prinston Language Centre provides a library for its students. The ^{wide} number of textbooks gives an opportunity of self-teaching. ~~Reside~~ Moreover, the access is free to everyone, who attends the Centre. That is, ~~it~~ undoubtedly, good.

Food. During the course I had to bring home food to classes. Because there is almost no variety in the canteen.

Timetable. The learning schedule is rather comfortable. It's possible to chose the day and time of studying which fits ~~to~~ you best. But there are no individual classes available.

Suggestions. 1. To renew the PC's applications
2. To make a range of food more variable.

turn

3. To introduce individual classes to the Centre.

To sum up, Princeton Language Centre ~~gives~~ provides a good practical education. It has some deficiencies but they can be fixed.

I hope my report will help to improve the course,
Martha Smith.
