Report.

To: Mrs Galway, the Principal of English language course
From: Ekaterina Savina, the former student
Subject: opinion on the course and suggestions
on the possible changes and improvements.

Thank you for this letter I ~~was~~ am honored
to express my opinion and make some
suggestions.

The quality of teaching

In my view, this course has a very high
quality of teaching. What I liked the most was
teacher's ability to find an individual
teaching style for each student.

Modern Tech Technology

I believe that ~~nowadays~~ teaching process
should include modern ~~technology~~ technology. Therefore,
I was pleased to have computers in classroom
for each person.

Textbooks

The textbooks that we had on the course,
were old. Despite their high quality, I would
suggest buying some newer versions. ~~The~~

Dining facilities

I would highly recommend to put more
tables in the dining room. While I was
studying, there was always a severe shortage
of the seats for students.

The timetable

children for help some lessons were in the
morning; the same time my school let
out. Therefore, I would suggest changing
table and putting most of the classes
evening.

Although the courses has some improv
e made, I made the right decision
ing it.
