Dear Mrs Galway

Thank you for arranging the courses. It was a fun and ~~inter~~ interesting experience. Indeed, I enjoyed them a lot and I would really like to study ~~non~~ them again.

All in all, I ~~found~~^{found} it very good, it was not perfect but I found it impressive. The quality of teaching was fairly good. Most teachers made classes interesting, some even got me interested in ~~st~~ it. I was ~~not~~^{not} interested in ~~it~~. But a few teachers were a bit aggressive, they sort of forced us to study a couple times. I do not think it is a particularly bad thing, however I do not think it is good either. The use of modern equipment certainly helped. It made it a bit more interesting and added interactivity to classes. I am also sure it saves a ~~lot~~ of time and effort. Text books were not that variable, because of this I did not find ~~the~~^{them} very interesting but I did not find them boring either. There is definitely a plenty of ~~it~~ for improvement but I do not think it is very urgent. Dining facilities were fairly decent. The quality of food was pretty good. I am sure the staff did their best. I found the timetable very convenient for myself. It gave me a bit of free time between courses and school class and I also had a handful of time after.

To sum up, the courses are fairly good ~~the~~ as they are. There are a couple of possible improvements, however I do not find them very ~~so~~ major.

Best wishes

Daria
