REPORT ON THE ENGLISH LANGUAGE COURSE

The aim of this report is to evaluate the quality of the course, which I attended at the ABC Learning centre, and to give recommendations on how it can be enhanced.

LEARNING PROCESS

By and large, I'm satisfied with the level of teaching and the organisation of the process itself. The teachers are very helpful and friendly. The new method of learning they had worked out has proven to be successful. The idea of using modern technological equipment is good, too, but there were some problems with its functioning, which have not affected the process, though. As for the textbooks, they were not chosen appropriately to the age of most students.

OTHER CONVENIENCES

The timetable of classes was excellent. Moreover, there was an option to change so as to satisfy every student, which is a huge advantage. The dining facilities were good, as well, but the range of meals offered could be a bit wider.

RECOMMENDATIONS

My suggestions for the possible improvements are as follows:

- solve the problems with the equipment
- choose the textbooks according to the age and

interests of your students (a survey can be conducted to get such kind of statistics)

- provide a wider choice of meals in your canteen.

Following these steps, you will create the best English language course on the market.
