Report on English language course.

Dear Mrs Galway,

I'm writing you to report my views of the course covering

Firstly, I'd like to notice that the quality of teaching was really wonderful. Everyday practice with native speakers strongly improved my knowledge of English grammar and extended my vocabulary.

However, the use of modern technological equipment was quite poor. There were no smartboards and computers so we had to use old dictionaries and workbooks, which is not ^{acceptable} suitable for me nowadays, when we can use the Internet in studying aims.

There were lots of various textbooks that we used during the course. Teachers helped us to ~~find out~~ decide on what to work now. Such way of learning is quite flexible, so I have nothing to suggest here.

The dining facilities were located in the same building. Different dishes from different cuisines were offered there, so everyone could choose what he wants. ~~to~~ However, there ^{usually} were huge queues, so I've managed to eat there only once. I believe, hiring more people to giveaway food would solve this problem.

The timetable was quite convenient and ^{suitable} comfortable for me. I attended the lessons in the evening so I had enough* time to prepare for them after school.

All in all, this language course is amazing and offers much more than other courses. Teachers are ^{friendly and} always ^{eager} ~~ready~~ to help, the schedule is convenient and flexible. But it would be much better if you ^{solved} ~~could~~ the problems I pointed out in my report.

Thank you for your work.

Sincerely yours,

Pranav Shakra
