Once upon a time I headed for school. It was April and the weather was very great. The sun was shining in the blue sky and the birds were singing their beautiful songs. Despite so the pleasant atmosphere, I was nervous and sad. This day was important for my education because I had a history exam. I had been preparing for it for approximately four hours. There were so many names and events in my head!

During the exam I tried to concentrate and told myself: "You know everything you need. Keep calm and just think!" Suddenly my phone rang. It was in my bag but the teacher thought that I was

cheating. I was ~~set~~ ~~sh~~ frightened and thought:
"It is so terrific! I wish I hadn't bring this
gadget with me!" But it was too late to do
anything. My ~~an~~ name was on a cheat sheet
and I had to go to a detention room. I was so
mad at myself and didn't know what to do.

Suddenly I heard strange noises and shouts.
Somebody was shouting: "Fire evacuation!" All
students and teachers had to leave the building.
Fortunately, nobody was hurt. But this fire damaged
several classrooms. The history classroom was ruined
too. Cheat sheet and all other documents became
ash! That's why I had another opportunity to pass
my exam. It was a miracle and I couldn't
believe my ears when my teacher told me:
"I don't have any proof that you cheated. So you
can try again." This is the end of my
crazy story. I hope you enjoyed it.
