(underline the word from the list when using it for the first time)

- play truant
- cheat sheet
- detention
- dunce
- terrific

Write 220 - 250 words.

It was ^{lovely} Saturday morning when all of my classmates decided to play truant with our Maths teacher. Despite the terrific weather outside everyone's mood was horrible because of the difficult test we must have done. That is why my best friend, Lena, suggested us to play a fun trick. Due to her idea, all of us should make a small cheat sheet and kept it wherever possible. Some of the girls said she had been definitely out of mind to come up with such an idea but others agreed.

It was almost five minutes left when our strict teacher came into the class. I could hardly keep a poker face! The lesson started... Everyone was interested in our teacher's detention. Contrary to the usual, she calmed down quickly and started

to search the Net and then to read an extremely boring book.

Personally I was a bit shocked with such a behaviour but there were ~~30~~ thirty minutes left so I decided to not to disturb anyone else, better continue my own work. Near my desk I could hear my classmates telling right answers to each other almost at loud. "Crazy you are!" – that was my initial thought.

At last the ~~ring~~ bell rang. All of us stared at the teacher with curiosity. But no one could say a word... Suddenly she smiled and said that it was only an exam to our nerves: no marks for this type of work. Then this wise woman left us alone with absolute silence. What a great ~~stamp~~ dance!
