Publication of conference materials

The abstracts of the registered participants of the conference **in Russian or English** for publication should be sent to the Organizing Committee via the registration form in the personal account of the participant on the conference website no later than **September 23, 2018**. The volume of abstracts of the report together with the figures and tables – **no more than 3 pages of A4 format**. Corrections of the submitted materials and additions to them are not accepted.

All materials sent to the conference are considered by the Program Committee. Abstracts of papers recommended by the Program Committee will be published on the Internet websites of the Peoples' Friendship University (RUDN) and the Moscow City University, as well as in the **conference proceedings** published before the conference starts.

In accordance with the additional decisions of the Program Committee, the authors of abstracts of actual reports, which have scientific novelty, theoretical and practical significance, will have the opportunity to publish full-text articles in Russian or English in the editions of the **scientific journal "Vestnik RUDN. Informatization of Education Series"**, indexed by RSCI and included in the list of scientific publications recommended by the **Higher Attestation Commission** under the Ministry of Education and Science of the Russian Federation. Additional decisions of the Program Committee will be reported to the authors before the conference starts.

According to the decision of the Program Committee, the materials can be rejected, the form of participation can be changed, about which the participant will be notified at least two weeks prior the start of the conference. The Program Committee does not comment on its decisions.

Requirements for the preparation of articles and abstracts are given below.

In case of violation of the requirements for registration or receipt of materials by the Organizing Committee **after September 23, 2018**, the Program Committee does not guarantee their consideration.

Forms of participation in the conference

The following forms of participation in the conference are provided:
- presentation of the report at the plenary session and publication of the theses of the report
- presentation of the report to the sectional meeting and publication of the theses of the report
- publication of theses without presentation
- attendance of the conference without speaking and publishing.

The decision of the Program Committee on the oral report of the participant, taken on the basis of consideration of the abstracts of the report and the information indicated in the registration form, will be sent to the participant not later than two weeks before the conference starts.

Preparation of abstracts of the report

The abstracts of reports are accepted only in the format of the Microsoft Word document (file with the extension .doc or .docx).

The file must contain **line by line**:

In Russian (if possible)	NAME OF REPORT ABSTRACTS - in capital letters First name, surname and patronymic and e-mail (in brackets) of the author(s) Full name of the organization (in brackets - abbreviated), city Abstract (**up to 400 characters**) under the heading *Abstract* Keywords (up to **5** words) under the heading *Keywords*
