Introduction

UT Inbound Exchange Program provides students from our partner institutions a chance to explore overseas study experience and Asian lifestyle. UT is located in a vibrant international city with two campuses: Bo-Ai campus at the heart of downtown Taipei and Tian-Mu campus in the neighborhood adjacent to Yangmingshan National Park. Both

campuses are close to bus, train, and MRT stations. With convenient location, great amenities and well-deserved reputation, UT has attracted both local and international students. We offer two kinds of exchange programs:

A. Exchange student

Students from our partner institutions who would like to take courses at UT and are nominated by their home institution.

B. Visiting student

Students from non-partner institutions who would like to take courses at UT.
