

Sophia Univ. × Partner Universities Students Exchange Online Event

Ghibli Talk

Studio Ghibli has won fans from all over the world and became one of the most precious parts of Japanese culture. Since the films are dubbed into different languages and we have different cultural backgrounds, there must be some differences in our understanding that we have not yet noticed.

Then why don't we talk about YOUR Ghibli? We are expecting to discuss the film backgrounds, the preference of characters and any topic you want!! Let's ENJOY!!!
